AMENDMENTS TO THE DRAWINGS

Please replace the drawings presently of record with the 11 replacement sheets of drawings submitted herewith.

Appl. No. : 10/646,097
Filed : August 22, 2003

REMARKS

This is responsive to the USPTO's Notice to File Corrected Application Papers (copy enclosed herewith).

The Notice identified deficiencies in the drawings. More specifically, the Notice stated that there "is a solid line thru drawings" and requested replacement drawings.

Applicant submits that the drawings as originally filed in the USPTO did not have these "solid lines." However, a review of the drawings of record on the USPTO's PAIR website shows that the Image File Wrapper of the drawings does include an extraneous solid line on each drawing sheet. It is believed that this is due to a copying or scanning error at the USPTO.

In any event, Applicant is submitting herewith a clean set of replacement drawings in 11 sheets. No new matter has been introduced. Accordingly, entry of this amendment is respectfully requested.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
